A New Year

This weekend we'll be celebrating the end of 2016 and welcoming 2017.

When you take a little time around New Year's to reflect on your business this year...would you say it was successful?

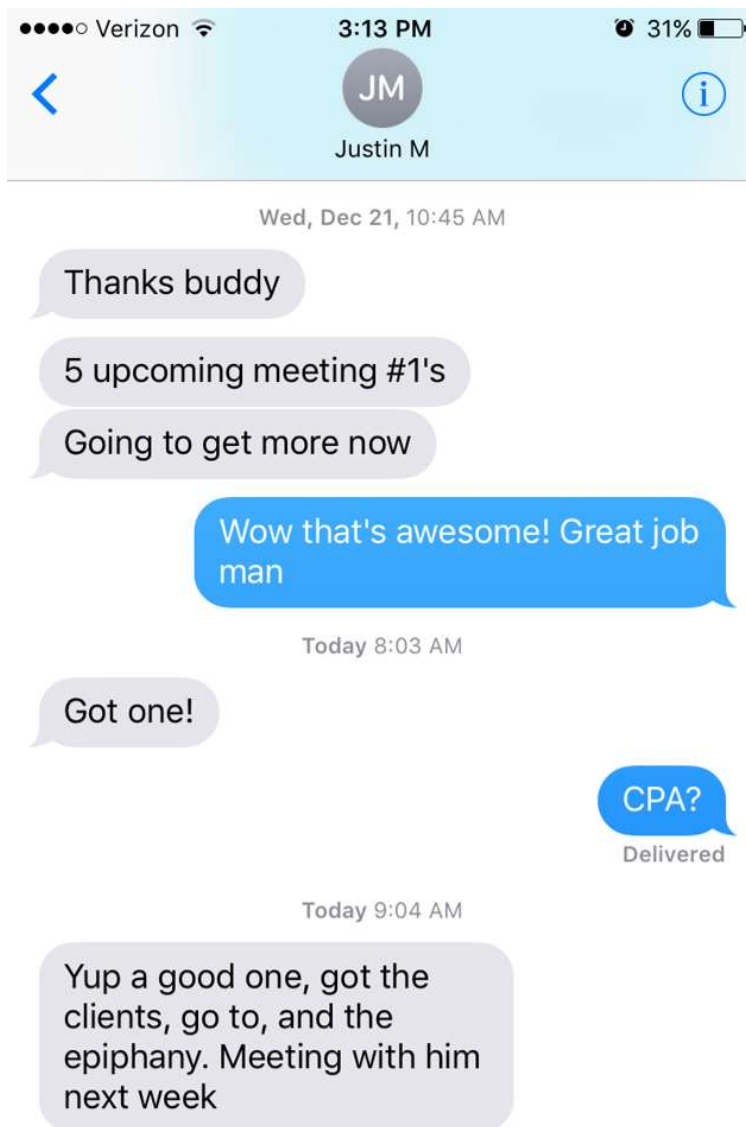

Ask yourself this questions: In 2016 did you grow, push yourself, and bring new ideas and value to your clients? Or did you for the most part just repeat 2015?

And looking forward, how excited are you for 2017?

Check out this text from an advisor we're working with...

And here's another one...

Why are they so excited? Because they know that 2017 is going to be their best year ever.

Want to set up a plan to make sure that 2017 is your best year ever? Then set up a free 45 minute strategy session with me by clicking [here](#).

I look forward to reviewing the CPA Team Based Model with you in detail.

Happy New Year's,

Anton J. Anderson, Co-Founder Elite Resource Team

THE CPA TEAM BASED MODEL

The CPA Team Based Model is a proprietary system designed to help CPAs offer more proactive and holistic services to meet the continually-evolving needs and expectations of their clients. This is accomplished with the support and guidance of a specially-trained financial advisor, along with their top-notch team of specialists provided by ERT. When this partnership is developed with the mutual goal of delivering more meaningful value to the CPA's client, and the advisor becomes the go-to resource for all of the CPA's needs, a true win/win/win is created.
